

INFORMATION: Birth records have been maintained in the Office of the State Registrar of Vital Records since July 1, 1905.

The "Birth" name required on Vital Records (see Items 1C, 6C, 7C, 9C, and 12C) is the name given at birth, or a name received through adoption, court-ordered name change, or Naturalization. AKA's (Also Known As) and assumed names cannot be entered as the legal "Birth" name.

INSTRUCTIONS:

1. As of July 1, 2003, **ONLY** individuals who are authorized by Health and Safety Code Section 103526 can obtain a Certified Copy of a Birth Record to establish identity of the registrant (person listed on the certificate). (Page 1 identifies the individuals who are authorized to make the request.) All others may receive a Certified Informational Copy which will be marked, "Informational, Not a Valid Document to Establish Identity."

Confidential Information on Birth Record: Some individuals have special needs for a birth certificate that contains the confidential information provided at the time the birth record was prepared. This confidential information may be used to establish ethnicity, to provide health background, or for other personal reasons. For information on how to obtain a birth certificate containing the confidential information, please refer to the Birth Certificate section of our website: www.cdph.ca.gov (then select "Services"). Only specific individuals may obtain confidential copies.

2. Complete a separate application for each birth record requested.
3. Complete the **Applicant Information** section on Page 1 and provide your signature where indicated. In the **Birth Certificate Information** section, provide all the information you have available to identify the birth record. If the information you furnish is incomplete or inaccurate, we may not be able to locate the record.
4. **If the registrant has been adopted**, make the request in the **adopted** name. (If you're requesting a copy of the **original** birth certificate, you **must** provide a court order releasing the original sealed record.)

5. **SWORN STATEMENT:**

- The authorized individual requesting the certified copy must sign the attached Sworn Statement, declaring under penalty of perjury that they are eligible to receive the certified copy of the birth record, and identify their relationship to the registrant – the relationship must be one of those identified on Page 1.
- If the application is being submitted by mail, the Sworn Statement **must be** notarized by a Notary Public. (To find a Notary Public, see your local yellow pages or call your banking institution.) **Law enforcement and local and state governmental agencies are exempt from the notary requirement.**
- You do not have to provide a Sworn Statement if you are requesting a Certified Informational Copy of the birth record.

6. Submit \$16 for **each** copy requested. If no birth record is found, the \$16 fee will be retained for searching the record (as required by law) and a "Certificate of No Public Record" will be issued to the applicant. Indicate the number of copies you want and include the correct fee(s) in the form of a personal check or postal or bank money order (International Money Order for out-of-country requests) made payable to the **Office of Vital Records**. Mail this application with the fee(s) to the Office of Vital Records at the address below.

7. **Returning Completed Certificates:** Completed certificates are returned using the U.S. Postal Service.
